Dear Greg,

We are looking forward to **Boy Scout Troop 269's** visit to the International Wolf Center on **March 17th - 18th at 8:00am!** Your group has chosen a **Wolf Center Slumber Party plus a Field Trip**. The price per person is **\$28**. You have indicated that you wish to be invoiced when you arrive. Student groups will receive one free adult per 15 youth. We are expecting approximately **30** scouts in your group. If this number changes by more than 10 students please let us know. Enclosed is a schedule that details your visit here.

A visit to the Center is more meaningful for groups that have done some preparation prior to and after the trip. We strongly encourage you to take part in some preparation for your visit as well as a concluding activity following. If you have any questions or comments about activities, feel free to contact us.

When you arrive at the Center, please check in at the Wolf Den Store. Another naturalist or I will be ready to greet your group. If your group is not able to keep that time, please notify the Center with an estimated arrival

time (1-800-ELY-WOLF, ext. 27 or ext. 28).

We will depend on the adults with your group to facilitate the time spent exploring our exhibit as well as for transportation for the field trips. We also ask that you supervise any students visiting our store. Please remind your students that food, drinks, gum, and candy are only allowed in designated areas of the building. Thank you for your cooperation.

I look forward to meeting you and your group!

Sincerely,

Jess Edberg
